

In-Car Observation & Behind-the-Wheel Instruction Log

The seven (7) hours of in-car observation and seven (7) hours of behind-the-wheel instruction must be completed by the Parent Taught teacher registered with TDLR. The behind-the-wheel curriculum will be provided in the Parent Taught course you purchased. Only one hour of behind-the-wheel observation or behind-the-wheel instruction per day will count towards the 14 hours regardless of the number of hours the student actually drives in a day.
